## Theatre restages 'The Crucible' for anniversary

The theater class performed "The Crucible" for the school's annual fall play, Nov. 17 and 18. The play was directed by Miss Shirley Mumaugh who directed this play first in 1973, then again in 1983, and kept the tradition by restaging the play in 1993, the 40th anniversary of its publication.

Extra credit was given in

English classes to those students who attended the performances because the play is part of the Junior English curriculum.

Arthur Miller's, "The Crucible" is not only a drama about witchcraft, but also an allegory of communism and McCarthyism of the 1950's. The story takes place in Salem, Mas-

sachusetts, in 1692. John Proctor (played by Matt Borton) had committed adultery with a young girl, Abigail Williams (Kristy Koepke). It wasn't until Abigail's envious plot of revenge on John's wife, Elizabeth (Jodi Fox), that the children of Salem cried witchcraft on many of the Christians in the community.

The Hobart Brickies once again proved they were a championship team by defeating the East Central team, 31-18, Nov. 27, at the Hoosier Dome in Indianapolis.

The No. 2 ranked Brickies won their fourth Class 4A championship title, and adding to the victory was Senior Kevin Hammonds winning the Phil Eskew

Award for Mental Attitude. Kevin became the sixth Brickie to win the award in Hobart's 10 state appearances.

The Hoosier Dome was crowded that weekend; purple and gold seemed to "paint the town." After a victorious Saturday, fans were ready to celebrate.

Sunday Brickie players, coaches, administrators, the band

and cheerleaders paraded from Hobart High to Brickie Bowl where many fans attended a pep rally. That night a dance celebrating the victory was held in the cafeteria for the community.

The students attended a victory convocation in the gym Tuesday, and then they were released from school an hour early.

## Lindsey, Orosz crowned queen, king for basketball

HHS continued the tradition of celebrating basketball during Basketball Homecoming week, Jan. 31-Feb. 4.

Once again, the Booster Club sponsored the annual spirit week, awarding \$10 to the best dressed student for each particular day. The spirit days included Clash Day, Purple and Gold Day, Twin Day, Brady Bunch Day and Fabulous 70's Day.

The Student Council sold links for spirit chains. The winning Sophomore Class was let into the Homecoming dance for free, while the presidents of the three losing classes had to kiss a baby pig between the junior varsity and

varsity games.

During the last 20 minutes of class Friday, students were released to attend the pep rally in the main gym to honor those in winter sports. The Basketball Homecoming court was presented, the marching band played the fight song, and several awards were given.

Mr. Basketball was awarded to Senior Joe Leonard, Mr. Wrestling went to Senior Brian Kincaide, Mr. Swimming was awarded to Senior Ben Coons, Miss Gymnastics went to Senior Stacey Goodpaster, and Miss Basketball was awarded to Senior Lisa Mergl.

At the basketball game

against Crown Point, the Homecoming court results were given at half time. Senior Phil Orosz was crowned Homecoming king, and Senior Jodi Lindsay was crowned Homecoming queen. The Freshman princess was Julie Talcott, the Sophomore princess was Cynthia Skolak, and the Junior princess was Connie Ochall.

The team lost to Crown Point, but their spirit and pride were evident.

After the game, HHS students were invited to the post-game Homecoming dance in the cafeteria, sponsored by the Student Council.

# Genesisius Players present 'The Mouse That Roared'

The Genesisius Players began spring with a roar. Day after day, the Players worked to present "The Mouse that Roared."

The story took place in a small, mythical country called Fenwick. The country was poor and desperate for money, so its rulers planned a scheme, deciding to declare war on the United States, knowing the U.S. would be victorious. The U.S. would then provide aid and war reparations for Fenwick. Their scheme didn't work as planned, but was still an advantage for

Fenwick. They captured a U.S. scientist who had possession of a deadly bomb, so the U.S. gave in to all of Fenwick's demands.

Miss Shirley Mumaugh said she selected this play, "Because it is fun to do, and it is also a political satire that makes as much sense today as it did in 1960, when it was first performed."

Since the spring play took place of the talent show, auditions were open to the whole school. More than 48 students from all four grades participated in the production.

Playing the lead characters in the play were Ron Petronicolos as Tully and Jodie Fox as Gloriana. Other leads include Bryan Mumaugh as Count Mountjoy, Jay Dobrolecki as Mr. Bentner, Amanda Galliher as Secretary of State, Jason Gonzales as Professor Kokintz, and M.J. Borton as General Snippet.

Directing the play was Miss Mumaugh, while Bryan Mumaugh was technical director. Bridgett Bisset served as assistant.

To go along with the prom theme, prom-goers were presented with a memory booklet, picture frames, and masks.

Doors opened at 5:30 p.m. for pictures and dancing started at

6. Dinner, consisting of a salad, ham, turkey and roast beef, began at 7. Dancing resumed at 8 and post prom, which featured a magician, lasted from midnight to 1:30 a.m.

The Class of 1994, consisting of 246 students, ended its high school life at commencement exercises, June 3, at 7:30 in the auditorium.

Beginning the commencement was the processional, played by the HHS band. Then Senior Class president, Jodi Lindsay, welcomed the seniors and their guests.

After the welcoming, Salutatorian Ben Coons and Valedictorian Dan Butler addressed their

classmates.

Then Mr. James Mellon, school board member, made comments to the graduates, and school mayor, Sarah Rosenberg, reviewed class activities.

Next Principal William Cope presented the class to Supt. Mark Dartt for acceptance.

After Mr. Dartt accepted the Class of 1994, the presenting of diplomas took place. Board members, Mr. Brian Rosenbaum and Mr. E Randall McEuen, presented

the diplomas. They were assisted by Mr. David Marcotte and Miss Sherry Williams, assistant principal.

Since the U.S. Supreme Court ruled that religious ceremonies or readings could not be part of public school graduation, a baccalaureate ceremony was held for members of the Senior Class and their parents at St. Bridget's Church May 22.

# Mr. Earl McGuire retires after 38 years at HHS

Mr. Earl McGuire receives congratulations from master of ceremonies, Mr. Moe Rhody, at the retirement banquet hosted by the Hobart Teachers Association.

Mr. Earl McGuire began his career as a teacher at HHS 38 years ago, and in June of 1994 he ended that career in the same school.

Before coming to HHS, Mr. McGuire attended Indiana University where he received both his bachelors and masters degrees. Although he has taught a variety of subjects over the years, he spent his last year of teaching in accounting and consumer economics.

"I enjoy working with young people and I thought I could be a good teacher," was the reason Mr. McGuire said he became a teacher.

Speaking of his years at HHS, he said, "On the whole, I have enjoyed my years. There have been a few rough spots along the way, but, if I had the choice to make again, I would again choose HHS."

Mr. McGuire said the greatest satisfaction he gets from teaching is "Watching many of my accounting students go in to successful careers in accounting," and he said what he will miss the most are, "The people I work with."

Although retiring, Mr. McGuire will keep his position as treasurer of the employees credit union for a time. The rest of his retirement will be spent traveling with his wife, and, "I plan to play more golf, to fish more, and to do more reading."

The advice Mr. McGuire gave to students thinking about a teaching career is, "To think twice before they commit themselves and if they do choose teaching, to be prepared for some difficult times."

## Health teacher, cross country, track coach retires

After 28 years of teaching, Mr. Lloyd Ahlbrand retired at the end of the school year.

Before becoming a teacher, Mr. Ahlbrand attended Valparaiso University where he received his bachelors degree, and then he went to Marquette University and Indiana University where he did some graduate work. Finally, he returned to Valpo University from where he received his masters degree.

Mr. Ahlbrand said he decided to become a teacher because he enjoys working with and teaching young adults. He also likes coaching track, cross country and basketball.

HHS is not the only place Mr. Ahlbrand has

taught at. Before coming to HHS he taught in Merrillville for seven years.

At the time of his retirement, Mr. Ahlbrand was a health and safety teacher and he coached the boys' cross country, and track teams. He was also the athletic director during some of his years at HHS.

He noted that "seeing the progress of students in the classroom and in athletics was the greatest satisfaction he received from the profession.

"My years at HHS have been very enjoyable, and, after my retirement, I plan to continue my physical workouts, and, hopefully, return to coach," said Mr. Ahlbrand.

At the retirement banquet sponsored by the Hobart Teachers Association, Mr. Lloyd Ahlbrand addresses the audience.

# Mr. Tom Kerr is teacher of the year

Mr. Tom Kerr, who has taught in Hobart schools for 32 years, was named the 1994 Inland Steel-Rhyerson Teacher of the Year for HHS. He teaches general science, physical education and conditioning.

Even though Mr. Tom Kerr was named teacher of the year, many students know him as Coach Kerr, because he is the varsity football offensive coach.

To help open and dedicate the bicycle trails in the Hobart parks, Indiana Gov. Evan Bayh attended the ceremonies at the band shell.

Mr. Don Rogers, math teacher, junior varsity football coach and assistant wrestling coach, was named to the Indiana Wrestling Hall of Fame in 1994. Mr. Rogers was a wrestling coach at Wirt High School before coming to HHS.

# The Shape of Our World

Forty seconds that shook Los Angeles. At 4:31 on Monday morning, Jan. 17, an earthquake registering 6.6 on the Richter Scale jolted residents of Southern California from their sleep. It was not The Big One, but it left at least 55 people dead, brought down major freeways and destroyed or damaged thousands of homes.

Top—Floods hit the Midwest in late spring and early summer—thousands of farms and homes were lost, fields were swamped and towns were submerged.

Middle—Enemies to the death for three decades, Israel and the Palestine Liberation Organization opened a new era in their blood-soaked history by recognizing each other's legitimacy. Prime Minister Yitzhak Rabin and the P.L.O. chairman, Yasser Arafat, signed a treaty at the White House.

Right—In September the Bosnia parliament rejected an international peace plan for that devastated republic. The move postponed a settlement that would have ended the 18-month war that has partitioned the country into three ethnic states for Croats, Muslims and Serbs. The United Nations has sent a peace-keeping force to the former Yugoslavia to help keep peace among the three warring factions. Tens of thousands of people have been killed in the conflict and more than a million have been left homeless.

Michael Jackson's popularity and status in the world waned as accusations of child molestation surfaced. He reportedly paid millions of dollars to have a civil suit, which accused him of molesting a child, dropped, all the time professing his innocence.

Miss Harding had consistently denied any role in planning the attack on her competitor. In the 1994 Olympics, Miss Kerrigan took the silver medal, while Miss Harding came in eighth.

# SENIOR CLASS OFFICERS

*Jodie Lindsey, President; Amy Crowder, Vice President; Missy Brandush, Secretary; Kris Gadberry, Treasurer.*

We, the class of 1994, have finally reached the moment we have been waiting for- GRADUATION! The four years we have spent in high school have now become vivid memories.

Looking back, we remember some of life's most treasured moments. For example, many of our athletes participated in state championships such as; girls' cross country, swimmers, divers, wrestlers, and, of course, the football team who won two out of three visits to the Dome since our freshman year.

During homecoming, we won for best class float our

junior and senior years.

As the times changed, so did Hobart High School. For instance, a media retrieval system that enables each teacher to have a telephone and a cable ready VCR monitor in his classroom was purchased.

Each year a new Freshman Class enters HHS not realizing that graduation is merely four years away, or how quickly the time will pass. June 2, the Senior Class of 1994 walked out of the auditorium doors with diplomas in hands, remembering all of the memories and our class motto: "Nothing is impossible to a willing heart."

## Mr. Tom Martin moves up to head coach position

Mr. Tom Martin, assistant baseball coach during the 1993 season, became the varsity baseball team head coach during the 1994 season.

Coach Martin replaced Mr. Dwight Mathis, who was a baseball coach for 22 years, but retired from coaching at the end of the '93 season.

In his first season as head coach, Mr. Martin said the highlight of the season was when the Brickies beat LaPorte

It seems like just  
a little while ago you  
raised your tiny head  
and smiled at me for  
the first time.  
I smiled back then with  
tears I loved you so

# A Tribute to Bob

At the time of Commencement  
from old Hobart High.

We proudly salute a wonderful guy.  
From a young author's prize received  
in First Grade,

Young Bob made great mem'ries  
that never will fade.

At the age of seven, he shows a black eye

When hit by a ball, he never did cry.

One time he received a scouting award,  
and in sports events he always has scored.

Last year he achieved a wonderful goal

For there was his name on the school's Honor Roll.

A most special honor, and it was just great,

When he was appointed to go to Boys State.

Cadet Teaching now is one of his jobs.

Besides Broadway Sportland with its serious mobs.

We will look for Bob to do his part

When American Legion ball games start.

And if he is lucky and dreams come true.

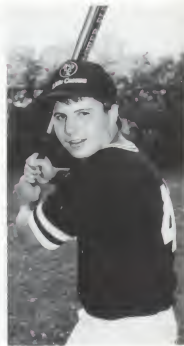

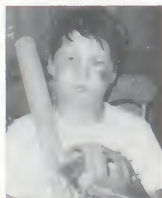

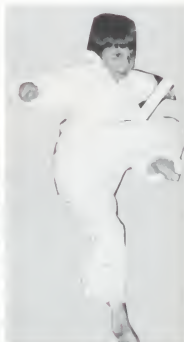

In the Fall he will enter old Vincennes U.

So now through the years of struggle and toil.

We love him and cheer him, our Robert James Boyle!

--By Grandma Jane

With all our love and best wishes  
on your 1994 High School Graduation.  
Mom, Dad, Becky

ATTENTION  
\* ALL POINTS BULLETIN \*

18 - year old, white, male, escapes from  
Hobart High School loaded with a 3.7 G.P.A.!

Last seen wearing a black cap and graduation

gown. APPROACH WITH CAUTION as he has been conspiring to commit good grades, good deeds and good cheer where ever he lands. He was recently spotted in Greece with his hostage, George Bleic; caught red-handed gambling with drachmas, but once again eluded the authorities prior to being apprehended. Some of his distinguishing characteristics are that he is a 'smooth talker', wears a friendly smile, appearing to have an overall pleasant personality. He is a sharp 'dresser', wears dark shades and drives a mean machine (with a heavy foot). He is often carrying a round, white, spherical weapon in his right hand and hangs out at ballparks and computer facilities. BE ON THE LOOKOUT for him as he is armed and dangerous and has been convicted for multiple assaults on baseball batters; leaving his victims powerless! He has been known to use, the names: Lambchops, Crash, Sal, #17, alias:

RUSTY ZION

Congratulations, Graduate 1994!

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes. The paper then moves on to discuss the challenges of conducting research in diverse cultural settings. It notes that researchers often face difficulties in establishing rapport with participants and in interpreting their responses. To address these challenges, the paper suggests several strategies, including the use of local researchers and the development of culturally appropriate research instruments. The final part of the paper discusses the importance of ethical considerations in cross-cultural research. It emphasizes the need for researchers to obtain informed consent from participants and to ensure that their research does not cause harm or exploitation. The paper concludes by noting that while cross-cultural research presents many challenges, it is also a valuable way to gain a deeper understanding of the world and to promote cultural understanding and respect.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in all age groups, but the increase has been most marked in the young (Mental Health Foundation 1999).

There is a growing awareness of the need to address the mental health needs of young people. The Department of Health (1999) has published a strategy for mental health care for children and young people, which sets out a vision for the future of mental health care for young people. The strategy is based on the following principles: (1) young people should be able to access mental health services when they need them; (2) services should be based on the needs of young people; (3) services should be based on the best available evidence; and (4) services should be based on the principles of partnership and collaboration.

The strategy also sets out a number of key objectives for the future of mental health care for young people. These include: (1) to ensure that young people have access to mental health services when they need them; (2) to ensure that services are based on the needs of young people; (3) to ensure that services are based on the best available evidence; and (4) to ensure that services are based on the principles of partnership and collaboration. The strategy also sets out a number of key actions to be taken to achieve these objectives.
